SHABBOS CANDLE LIGHTING BLESSING

ברוך אתה אדני-א-להינו מלך

TRANSLATED

*Blessed are You, Lord our G-d, King of
the Universe, Who sanctifies us with His
commandments, and commands us to light
the candles of Shabbat.*

Dear Friends,

If I am for myself alone, then who am I? (Talmud)

At Chabad, we take great pride making an impact beyond our borders.

Through pooling our efforts as a community, we have exceeded the sum of our individual contributions by having successfully sponsored twenty years of College for outstanding IDF warriors as well as arranged for vital life saving equipment to those on the front lines of danger protecting the Holy Land. This year, our Golf Charity event is raising funds to save even more lives as we strive to build an IDF robotics lab that will keep mothers and fathers off the battlefield.

On a personal level too, the Rebbe teaches us that each and every one of us can make a difference to the safety and security of the land of Israel in three simple ways:

The Talmud tells us that those who “guard the lights of Shabbos, will be shown the lights of Zion”. Affixing Kosher Mezuzahs on all our doors keeps our brethren out of harms way. Laying Tefillin is described in the prophets as the ultimate deterrent factor to our enemies.

As we stand at the threshold of a New Year, we'd like to encourage you too, to become a soldier in defending the Holy Land.

In this Calendar, we have carefully prepared the times for Candle Lighting each Friday and before each Jewish Holiday. Each time you kindle these holy lights with the blessings on this page, you too are becoming a soldier in defeating darkness with light! Picture the globe illuminated by millions of lights each Friday before dusk, joining your fellow “soldiers” as we turn Friday Night into Shabbos and bringing peace and stability to our home in Zion.

Affix a mezuzah to your door if you haven't done so, and have them checked if you already have them. Commit to one morning a week, or even once a month to lay your tefillin.

Together let's fight with light. One Mitzvah at a time.

Wishing you a Shana Tova- a sweet, happy & healthy New Year,

Rabbi David & Chana Vigler

HOW TO LIGHT SHABBOS CANDLES

It starts with one light. You can add a candle for your soul mate, and if you are a mother, one for each child. A girl over the age of three may (with some help from Mom) light a candle of her own.

To honor the divine spiritual connection of lighting Shabbat candle, we recite a blessing just after kindling your candles, which are lit 18 minutes before sundown.

Once the candle(s) are lit, close your eyes, and with your hands gently moving above the flames, motion the warmth towards your eyes three times. Then softly placing your hands over your eyes, pronounce the words that women across the globe have spoken aloud for thousands of years.

Uncover your eyes and feel the glow seep through every cell of your being, ushering in a moment of inner peace.

FRIDAY NIGHT DINNER WITH MOSSAD

Friday December 1

Shabtai Shavit was the seventh director of the Mossad, and served from 1989-1996. During his term, he led Israel through some of her most defining moments.

These included the breakup of the Soviet Union and the East European bloc; the end of the Cold War ; the opening of China; the increased influence of the eastern Asian countries on the global economy; and the strengthening of the trend towards globalization.

In the Middle East, Iran joined the race for nuclear development, as did Saddam Hussein's Iraq; Iraq invaded Kuwait, which resulted in the forming of an international coalition of countries led by the U.S.; and the first Gulf War took place.

The kids make their very own Havdalah kits, which include a beautiful fragrance holder filled with besamim (special Havdalah spices) and an authentic braided beeswax candle. To do this, participants use specially designed candle making machinery and accessories to dip long wicks into melted beeswax, available in an assortment of colors. Once cooled, the beeswax candles are braided to produce an authentic Havdalah candle that any candle maker would be proud of.

Meet **Laurie Lans**, a US military officer who served multiple tours in Iraq and Afghanistan. While stationed in war zones, Laurie upheld her duties not only militarily but also as a Jew despite the obstacles she faced. She tells stirring stories of events such as a giant menorah lighting ceremony in Baghdad and how she and her husband were the only Rabbi and wife sent by the U.S. military for a one year tour to Afghanistan. In her talks, Laurie describes some of the amazing people she met along the way in both Iraq and Afghanistan, Jews from around the world who were just as surprised to see Laurie as she was to meet them.

MEIR VIGLER'S UPSHERNISH

Monday February 5

My name is Meir Vigler and soon I'll be three
My parents are making a party for me.
It's more than a birthday, as you'll, read in this rhyme,
We're cutting my hair for the very first time.
An Upsherinish is Yiddish, it means cutting hair.
A Kippah and Tzitzis I'll now get to wear.
The Torah compares a little boy to a tree.
Whose fruit may not be cut until it turns three.
If it's roots are well nourished it will grow strong and pure.
And then the tree, just like me, will stand firm and secure.
My new Kippah and Peyos will announce clear and loud.
That I'm a Jewish boy and so very proud.
No more brushes, no more pins, no more ponytails and curls.
Never again will I hear "What a cute little girl".
So please come and join in this beautiful tradition
You can even take a snip, my hair I won't be missing.

You've experienced Chabad in Palm Beach Gardens. Here's your chance to take it to the next level. A Shabbos in Chabad world headquarters is sure to fire up your soul and broaden your spiritual horizons. This trip will also include a special trip to the Rebbe's Ohel (holy resting place), for prayer and connection.

MOSHIACH FARBRENGAN

Saturday, April 7

Just when you thought you had seen it all! This day, the final day of Passover, emphasizes an even higher freedom! It is dedicated to our imminent and final redemption through Moshiach. Following the custom of the Baal Shem Tov, founder of Chassidism, Passover concludes with a "Moshiach Farbrengen." This festive meal complete with Matzah and, yes, four cups of wine, begins before sunset. It is the perfect way to spiritually take leave of Passover and open our consciousness to the coming redemption.

MENS' CLUB

Monday, April 16 at 6pm

Torah Scribe presentation, Mezuzah checkup and Social BBQ

Like a chemical or mathematical equation that needs to be perfect in order to be effective, the holiness and effectiveness of our holy scrolls are extremely dependant on the precision of the letters. Rain, humidity, heat, age and other factors can easily alter the kosher status of our Mezuzahs & Tefillin. Learn all about the ancient precision of this process with a fascinating presentation by a Torah scribe. Bring your own Tefillin & Mezuzahs from home for a full check up as well.
