HOW TO LIGHT SHABBOS CANDLES

B"H

Dear Friends,

As we prepare for the High Holy Days, we are filled with thoughts of change, improvement and good resolutions. At Chabad of Palm Beach Gardens we work hard to create programs, events, learning opportunities, and social experiences that stimulate the mind and capture the heart.

If you always do what you always did, you'll always get what you always got. Please use this Program Guide to inspire your High Holiday resolution to help you connect more with your people, your culture, and your Torah. Let's make this year your best ever!

On behalf of our family and the wonderful team at Chabad that helps make this community a reality, we wish you and yours a Shana Tova Umetuka - a sweet, healthy, and happy New Year!

With all our love,

*Rabbi David and
Chana Vigler*

Chabad of Palm Beach Gardens

It starts with one light. You can add a candle for your soul mate, and if you are a mother, one for each child. A girl over the age of three may (with some help from Mom) light a candle of her own.

To honor the divine spiritual connection of lighting Shabbat candle, we recite a blessing just after kindling your candles, which are lit 18 minutes before sundown.

Once the candle(s) are lit, close your eyes, and with your hands gently moving above the flames, motion the warmth towards your eyes three times. Then softly placing your hands over your eyes, pronounce the words that women across the globe have spoken aloud for thousands of years.

Uncover your eyes and feel the glow seep through every cell of your being, ushering in a moment of inner peace.

Picture a million women like you lighting FridayLight candles all at the same time. Envision the peace of Shabbat radiating across the globe.

Shabbos Candle Lighting Blessing

TRANSLATED

*Blessed are You, Lord our G-d, King of the Universe,
Who sanctifies us with His commandments, and
commands us to light the candles of Shabbat.*

Mission Statement:

The kids make their very own Havdalah kits, which include a beautiful fragrance holder filled with besamim (special Havdalah spices) and an authentic braided beeswax candle. To do this, participants use specially designed candle making machinery and accessories to dip long wicks into melted beeswax, available in an assortment of colors. JLI Fall Course: How Success Thinks- Jewish Secrets for Leading a Productive Life

6 week course on Tuesdays starting Nov. 15

How Success Thinks

Accredited for medical and mental health professionals.

Whether it's at home, in our careers or personal lives, everyone craves success. The question is, how do we get there?

There is no one magic pill or secret formula to become an overnight sensation. Success is a product of who you are, what you believe, how you behave, and lots of hard work. Nobody can do the work for you, but Jewish wisdom and positive psychology has much to offer to set you on the road to becoming the effective person you crave to be. This course provides uniquely Jewish ways of thinking to help you develop a growth mindset, identify and cultivate your signature strengths, deal with your weaknesses, and overcome the obstacles that stand in the way of your success.

Community Friday Night Dinner with Catskills Comedian and Actor Reuven Russell

Friday, Jan. 20

Reuven Russell, an accomplished actor and comedian with an extensive theatrical background, has been seen on "ER" and in the feature films "Chaplin", "Inside Monkey Zetterland" and "The Proprietor." He originated the role of Hersh in the Off-Broadway debut of "The Quarrel." He has toured nationally in Neil Simon's "The Sunshine Boys", starring Mickey Rooney and Donald O'Connor.

His one-man show, "Gathering the Sparks," has played to audiences in over 100 cities around the world. He can currently be seen in the films "Advice and Dissent" with Eli Wallach and Rebecca Pidgeon, "The Permeable Man," as well as in 13 episodes of the popular children's video series "The Adventures of Agent Emes." Reuven is a graduate of the Yale School of Drama, where he directed and co-starred with Paul Giamatti in Glengarry Glen Ross. He has also directed 7 short films for "Project S.A.R.A.H."

Reuven is a professor at Stern College for Women and the University of New Haven, as well as the Artistic Director of the Stern College Dramatic Society. He is a husband, father of five, and the proud son of late comedian and Jewish humorist Joey Russell.

What's your best Jewish joke of all time? Everyone will be invited to tell their best-ever joke at the Shabbos Dinner for their two minutes of fame!

Chocolate Factory Workshop

Sunday, Jan. 15 at 4:00 pm

The Great Jewish Chocolate Factory is an amazing adventure that is finger-licking good! Participants actually make chocolate from scratch. Beginning with raw cocoa beans, to tempering chocolate by using special tools and machinery, this is a hands-on workshop that is educational as much as it is yummy! The children get to mold and taste their own chocolate creations while exploring the messages and the meaning of the food they eat.

Mens Club Fishing Trip

Sunday, Jan. 15, 11:30 am - 3:30 pm

There's few better ways to bond than whilst fishing!

Enjoy an afternoon on the high seas with the 'chevre' whilst fishing for (hopefully) Kosher fish!

Women's Day out in Miami

Ladies in Leadership initiative

Monday, Jan. 16

Join Rebbetzin Chana on the annual women's Tour to Miami visiting places of Jewish interest including Museums, Mikvahs, Sheitel Salons, and some of the finest Kosher restaurants.

Cafe Chabad: The Ten Commandments starring Charlton Heston with Torah Commentary

Saturday Night, Jan. 28

This wildly popular film has served as the primary source of the Biblical narrative for many people, despite its many deviations (for entertainment purposes) from our Biblical sources. Enjoy this film as it is accompanied by critical commentary by Rabbi Vigler, pointing out those variations and how the story truly happened in our tradition.

Sunday, March 5, at 4:00 pm

Special puppets and lighting effects transport the children back into ancient Persia, where they will relive the story of Purim.

Meet Achashveirosh, Haman, Vashti, Queen Esther, and Mordechai as, with a mix of humor and drama, professional puppeteers bring this story to life.

The palace jester will make a special appearance and perform his famous juggling act.

It's bound to be an instant hit with young and old alike.

Feast of Moshiaich

Tuesday, April 18

Just when you thought you had seen it all! This day, the final day of Passover, emphasizes an even higher freedom! It is dedicated to our imminent and final redemption through Moshiaich.

Following the custom of the Baal Shem Tov, founder of Chassidism, Passover concludes with a "Feast of Moshiaich." This festive meal complete with Matzah and, yes, four cups of wine, begins before sunset. It is the perfect way to spiritually take leave of Passover and open our consciousness to the coming redemption.

Model Matzah Bakery

Sunday, April 2 at 4:00 pm

This workshop is a hands-on fun learning experience about Pesach. The children get right into the Pesach spirit by grinding wheat into flour, mixing it with water and rolling the dough into their very own matzahs.

Crunching and munching on their very own hot crispy matzah they will leave the workshop satisfied with not only the delicious taste of the matzah but the knowledge of what is behind it all.

JLI: Exploring Israel

Tuesdays, starting May 9, at the Mandel JCC

Exploring Israel through the Lens of the Six-Day War

Why must Israel exist? Does a religion need a land? When facing annihilation, how should we respond? And when, if ever, is collateral damage warranted? Commemorating the fifty year anniversary of the Six-Day War, this course provides an historic opportunity to discover what Israel means to us today.

More than a history, it is a course about connection: understanding our connection to our land, to our people, and to our heritage through the prism of the events and themes of the Six-Day War.

Havdalah Factory Workshop

Sunday, May 21 at 4:00 pm

This workshop introduces students to the traditional ceremony by discussing its significance, examining the various items used in the ceremony and reviewing the procedures and blessings.

The kids make their very own Havdalah kits, which include a beautiful fragrance holder filled with besamim (special Havdalah spices) and an authentic braided beeswax candle. To do this, participants use specially designed candle making machinery and accessories to dip long wicks into melted beeswax, available in an assortment of colors. Once cooled, the beeswax candles are braided to produce an authentic Havdalah candle that any candle maker would be proud of.

Be a part of history in Palm Beach Gardens dedicate a plaque in the magnificent lobby of our stunning shul.

Whether you choose the original Tree of Life designed according to the months of the Jewish Calendar or the sensational "Jerusalem of Gold" Founders' Wall, you or your loved ones will be remembered as having made a real difference to the future of Yiddishkeit in our area.

Need an Aliyah?

Being called up to the Torah is considered a great honor, connecting the individual and his family with the power of G-d Almighty through his holy Torah, infusing blessing and success in all their endeavors.

Should you wish to have be called to the Torah in honor of a birthday, anniversary, Yahrzeit or any other occasion, please contact Ritual Committee Chair Steve Sandberg at 561-307-9109 or Steve2956@bellsouth.net

Consider what many others have done by reading their Bar Mitzvah Haftorahs on it's anniversary.
